Wild Ones Contact Information

Remember to keep your contact information current with Wild Ones National. It's the only way to continue to receive the *Wild Ones Journal* and chapter reminders and announcements.

Due to technology issues with the national Wild Ones website, we do not currently have an active chapter webpage. We hope to remedy this soon, but for now we will have to rely on our monthly reminder email and notices on our Facebook Page:

Remember you can always reach us with questions through email: wildones.wehr@gmail.com.

PRESIDENT'S NOTE

Hello All!

I just wanted to thank all of you for your support in this past year. Our chapter is strong and active because of each of you, especially my board members, membership and communication chairs, programming committee and all of you who have attended meetings and events this past year. We have another great year of programs ahead for 2019 and I look forward to seeing you there. Consider inviting someone to come to a meeting with you. Our chapter grows most by invitation and example of our members. Let's make 2019 the year of "spreading the news" of Wild Ones in our community.
